

Pastoral Leader

Great pastoral leadership is the life blood of any great school. The intention of this course is to equip Heads of Year/pastoral leaders with the necessary skills to ensure every single student in their care fulfils their potential to become well-rounded young people and to achieve academic success.

The over-arching aim of the course is for pastoral leaders to recognise the difference between reactive leadership and proactive leadership. The sessions are delivered by pastoral leaders to pastoral leaders.

Our vision is to share best practice, allow opportunities to reflect on your current practice and arm you with practical strategies to ensure that pastoral leadership in your own schools is outstanding.
