

Welcome To Our Teaching Schools

Put simply, we believe that teaching is a wonderful profession. We are fully committed to ensuring that we share this passion and provide you with the right opportunities to develop as outstanding primary and secondary teachers for the future. Inspire and Bosco Teaching Schools comprise successful, innovative practitioners who are still learning everyday!

Our Training

The model of training that we provide primarily involves training in the classroom as well as regular focussed training days delivered by current, outstanding practitioners. We believe it is important to be in an innovative environment where you are supported and challenged to reach your potential. We also value the academic features of training to

teach so all our places come with a full PGCE from the University of Sussex. The Bosco and Inspire Teaching School Alliances will be delivering, in collaboration with our educational partners, all the training and professional development to you. We believe this will give a rich and varied experience to prepare you for success in your career.

Inspire You

We are keen to offer experience of our schools and can provide short term school experience. Please contact us by email via info@inspiretsa.co.uk for more information.

We hold regular afternoon and evening recruitment events throughout the year.
