

Mathematics Conference

Responding to the KS4 Curriculum changes

Audience: Heads of Mathematics or coordination roles for Key Stage 4 Mathematics

Session 1 and 2

Carol Knights

(MEI Extension and Enrichment Coordinator)

- Overview of the changes
- Looking at old and new exam questions to highlight the differences, particularly the increase in Problem Solving
- Looking at Problem Solving activities, resources, scaffolding for students and how to develop these within your departments
- Ways of adapting existing resources to become more problem solving
- Activities to make some of the new Foundation content more accessible - and consideration of ways of doing this generally
- Activities looking at the new Higher Content.

Section 3

Robert Wilne

Director for Secondary

The National Centre for Excellence in the Teaching of Mathematics

- To update on the latest changes in mathematical education: new GCSE, post 16, mastery, Singapore textbooks and Shanghai.

Section 4

Update from exam boards

- AQA, Edexcel and OCR - to update and share recent materials for GCSE.
